BLEADON VILLAGE NEWS

No: 17

March '93

Dear Parishioner,

13th March, 1993.

In the last issue of the "Bleadon Village News", I reported briefly on the allegations, made by Mr. & Mrs. Corder, that Bleadon Parish Council is illegal. In this issue I intend to deal with the outcome of this dispute, its cost and effect upon the Parish Precept.

Over the past months Mr. & Mrs. Corder have made numerous complaints to the Auditors and other Authorities about the Council. Some complaints were made to The Department of Environment and to the Audit Commission itself. Despite receiving letters from a number of sources which stated that Bleadon Parish Council was in fact legally constituted, the complaints continued. These complaints were of a repetitive nature on almost every occasion. The Auditors warned them of the escalating cost of the audit due to the continual complaints but this warning appears to have been ignored. I spoke with the Auditor in early January and he informed me that the costs, to that date, were some £3000. Mr. & Mrs. Corder have written at least two more letters since that time, which has resulted in further legal and audit costs. These charges will be passed on to the Council in due course, the total cost of Audit will therefore be higher than the £3000 quoted above. A sum of this size is a lot of money for a small Parish Council to find.

I am delighted to report that I received the completed Certificate of Audit in yesterday's mail. The Auditor has completed the audit and states: "the objection is an abuse of the audit process and fails at the outset". The objections by Mr. & Mrs. Corder have been dismissed, but they do have the right of appeal to the High Court.

I am sorry to say that it is the Electors of the Parish who have to bear the cost of these complaints, so this unnecessary expenditure has to be included in the precept for the next financial year. Your Parish Council has tried to keep the cost as low as possible and a number of items on the precept have been eliminated or reduced. We are committed to improve the street lighting in our Village and three new lights will soon be in place. However in an attempt to reduce the precept there is no provision for any more lights in the year 1993/94, which saved £1000. The Council usually gives a £1000 grant to the Hall Management Committee to help with repairs and decoration, but this grant has been reduced by 50% next year. We have made no provision this year for the Renewal of Stiles in our Parish and we have cut out the Recreational Fee. These two items save a further £200, making a total saving of £1700.

After making these savings each elector, on average, will pay a Parish Precept amounting to £13.83 per head. This equates to an increase of £3.89 per elector. I apologise for this 39% increase on your precept which is entirely due to the complaints made to the Auditors by Mr. & Mrs. Corder, and the Parish Council is legally obliged to pay their costs. The Annual Parish Meeting will be held on Monday 26th. April and I look forward to seeing you at the Coronation Hall and hearing your comments and suggestions.

Yours sincerely,

Brenig Evans,
Chairman, Bleadon Parish Council

CORONATION HALL SPRING NEWS

It is hoped to present a photographic display of village views, events and personalities at the Hall Management Committee's Spring Coffee Morning on Saturday 3rd April from 10.30 to 12 noon. Admission 50p include coffee and biscuits and a convivial morning of chat and interest with soft music, and hard bargains at a variety of stalls!

We would welcome the loan for display of old (and newer) photographs, and their safety will be well supervised, with careful damage-free mounting. Please phone 813186 if you have any interesting shots to loan, and we will collect (and return).

Also on show will be a drawing of the Guides' plans for their new Headquarters and an illustration of how the Hall Committee hope to work jointly on this venture to improve the facilities and usable space within the Coronation Hall.

The Committee will be involved in repainting the Hall roof during the late Spring, and also in fitting protective clear sheeting to the inside of the hall windows to guard users against window shattering by over-exuberance from the adjacent play area.

Of course, the continued smooth-running of the Coronation Hall for the benefit of the village's organisations and residents is very dependent upon the dedicated efforts of the volunteers who form the Management Committee, which meets monthly to keep things up to scratch and moving along.

We are very sorry to report that both our Treasurer, Mrs Pat Simmonds, and our Secretary, Ron Goodman, have asked to stand down from their positions from next month. They have both given excellent and loyal service to the community and all our thanks are extended for their work.

The Hall therefore is in need of two more volunteers who would like to put something back into this pleasant village, and have an enjoyable interest into the bargain! Neither post is tremendously time-consuming or mentally demanding but both are vital ingredients in the Hall's continuing success. Please phone Peter Lindsay (813186) if you would like to offer your services.

The Annual General Meeting of the Coronation Hall is on Monday 19th April at 7.30 p.m. and all are very welcome to attend and air their views on the running of the Hall or suggest improvements.

The Committee consists of Representatives from the principal village organisations and also some co-opted enthusiasts. There are also two 'Village Representatives' appointed by the AGM, for which nominations are invited to Ron Goodman (812079) prior to, or at, the AGM.

See you at the Coffee Morning!

Peter Lindsay
(Hon Chairman)

BLEADON YOUTH CLUB

Treasure Hunt

Our Christmas Treasure Hunt held on Monday 28th December 1992 proved to be very popular and was enjoyed by 83 walkers. The weather was kind to us and the hot soup and freshly baked bread were appreciated on arrival back at the Youth Club. We have received numerous requests to repeat the event next Christmas. Our thanks to all of you who supported us at this event and my thanks to Hayden Durant, Derek Cooper and Sue Court for the organisation of it. The profit was £81.00.

Recycling Scheme

We have already filled two skips this year and the present one is almost half full. We are most grateful for your cardboard, magazines, telephone directories and newspapers, etc. To join our monthly collection (last Saturday/Sunday each month) please ring Tony on 813779 or Colin on 812505 with the address for collection. Our grateful thanks to those of you who deposit your paper, etc. directly into the skip.

Club Nights from April 1st

Parents, please note - in line with other Youth Clubs we are opening earlier on Tuesday and Thursday evenings. Initially we will open our doors at 7.15pm instead of 7.45pm. We have good facilities - table tennis, pool, music, coffee bar, etc. and we welcome new members who are aged at least 11 years old. For further information telephone Colin on 812506.

Finally - Photography!!

IMPROVE YOUR PHOTOGRAPHY WITH WESTON-SUPER-MARE CAMERA CLUB is the title of a series of eight lecture/workshops to be held in the Bleadon Youth Club Hall, commencing 12th March at 7.30pm. The lectures aim to help the beginner and the more experienced who want to improve their photographic skills in a practical way with a minimum of technical jargon. The course costs £15 which includes a process paid colour film, and free membership of the Camera Club for the duration of the course. For more details phone 813320.

AVON LOCAL COUNCILS ASSOCIATION

Your Parish Council is a member of the above. The association offers a collective voice that tries to influence other authorities and organisations. It has representatives on various liaison committees. The following few items have been abstracted from recent reports from such committees.

British Telecom - B.T. Has taken to heart the 'WHICH' report of last October which said that they were "significantly worse than any other public utility" on handling complaints. B.T. has introduced a Freephone number for customers to call when dissatisfied with the handling of any complaint. The number is 0800 545 458. Local dialling numbers in Bristol were due to be withdrawn in February. Henceforth national dialling numbers will be needed.

Post Office - The Post Office have also taken on board the 'WHICH' criticisms of poor counter-service. If you have cause to complain in future you may either obtain an appropriate form from your local office or you can write to the Customer Service Manager at your local District Office. You can also contact the Post Office Advisory Committee on Freephone 0800 282 329.

Bristol AirPort - The public inquiry into the proposed new terminal building at Lulsgate is scheduled for 11th May 1993. In the six months from April to September 1992 the passenger movements at Lulsgate increased by about 40% over the same period in 1991.

Police Liaison Committee - This committee reports that telephone calls to local police stations will only be answered during normal office hours. This will only be done if the telephone is manned by a civilian. This, of course does not affect 999 calls which are now routed to Taunton.

Avon Traveline - A telephone enquiry service covering all public transport services in Avon is available on 0272 557013.

Libraries - It has been acknowledged that Public Pressure caused Avon County Council to withdraw its plans to close some libraries. Reduced hours have been introduced. There is a lesson to learn from this. It does pay dividends if individual members of the public make known their views, on any relevant issue, direct to the appropriate authority. Such views add greatly to any similarly expressed by your Parish Council and may well have even more effect.

BLEADON WI

Variety continues to be the spice of life for the progressive Bleadon WI branch which continues to attract potential members. The contrast is shown by the three speakers who guested over the last quarter in a wide range of subjects.

January brought an entertaining recital of dialects from around the country by Mrs Ula Rigg, LRAM. The February focus was on 'Junk and Antiques for Everyone to Handle' by Mrs Bell. And March produced an illustrated talk on the less well known areas of the Cotswolds by Mr Tarrant. The year had got off to a great start with an enjoyable New Year lunch for forty members and guests at the Weston Technical College. A full and varied programme has been planned for the rest of the year including outside activities even a skittles evening.

CONTACTUS BLEADON

Our members continue to operate quietly in the parish, offering friendship and help when a need is presented and doing our best to maintain and nurture that warm atmosphere of co-operation and friendliness that we are all so fortunate to enjoy.

Recent activities have included welcoming newcomers and furnishing them with 'Welcome Packs'; Granny Sitting where carers have needed a time out; providing the occasional emergency transport and arranging contacts between the elderly and the youngsters in our parish. Each year we make a donation to a local charity and this year we are supporting Hospicecare. Our last donation was £100 towards the new Guide Hut. Apart from individual gifts our funds are largely raised by an annual Barn Dance in the Coronation Hall. Our last one was held on 6th March this year when some 90 people enjoyed a lively evening's dancing to the music of 'Gray Tide Eel' (say it quickly and you have the Bristol version of their imaginative approach to Folk Music). This event was very well supported by members of Weston and Bleadon Folk Dance Clubs as well as local residents and a clear profit of over £200 was raised for our funds.

With reference to Bleadon Folk Dance Club, we continue to meet every 1st and 4th Thursday of the month at 8.0.p.m. in the Coronation Hall. Newcomers are always welcome whether singly or with a partner, whether experienced dancers or total novices and whether or not you live in our parish. If you wish to learn more about Contactus either to offer help or to receive it, then please contact our secretaries, Philip and Mary Ashley (812667) or me (812436).

We should greatly welcome any news you can give us of any newcomers to your road or your part of the parish.

Our best wishes to you all.

John Thomlinson

Everyone is welcome to join us for a social afternoon and a friendly game of whist!

1ST BLEADON BROWNIES

Only one new Brownie enrolled so far this term, Kate Jones from Bleadon. Kelly Baptie was "Hostess" at the enrollment, well done! The Brownies have all been working on the Discoverers Badge. Mrs Pauline Kidner from New Road Farm will be coming to talk to them in April and we will be visiting the farm when the warmer weather arrives. We held a Japanese evening, many of the girls came dressed as geisha girls! Fund-raising has gone well, with £124 from the Jumble Sale, £33.35 from Katy Sander's "Blue Peter Bring and Buy Sale", and £36.30 from the Skittles Evening.

NEW LEADERS WANTED - Both Snowy Owl and myself are going to have to give up Brownies. Snowy (Jan Lundy) will be finishing at Easter and I will finish at the end of the Summer term. There must be someone in the area willing to give a couple of hours a week to running Brownies. It's a very enjoyable hobby and very rewarding. Help and support is given and there are County Training days. We do have a lady helping us at the moment who is willing to carry on if someone runs it with her. If we are unable to find anyone to take over it may mean that 1st Bleadon Brownies has to be disbanded. Please give me a ring if you would like to help us.

1ST BLEADON SCOUTS

The Scouts have been busy playing their Handball Zone matches against troops all over the district. They have great spirit and have had some close results. A team successfully competed at the Allsports and Swimming Competition held at Nailsea in January. Two older scouts are participating in the Patrol Leaders Training Courses involving two week-ends training with a project to be completed between. A team will be taking part in Wyvern night exercise on the Quantocks at the end of the month. The scouts have the opportunity to take part in canoeing and sailing instruction during the summer months.

Finally, after six years as Scout Leader I am stepping down at Easter. As yet we have no leaders to carry on and the troop will fold unless some adult leaders can be found.

Please phone Dave Boley (750666)

CUB PACK

Last September our Cub Pack consisted of five boys. Today we have ten, and continue to grow. Our December programme was busy with Xmas Capers, games evening, cooking and of course our Xmas Party. In January we took part in a ten pin bowling evening with our Scout Troop, and in February visited Weston Police Station, an evening enjoyed by all. Forthcoming events include visits to the local Fire Station, Life Boat Station, Police Mounted and Dog Section, and lots more!

Do you know of any boys between the ages of 8 and 10½ who would enjoy having fun, making new friends and trying new things? Why not ring me or bring them along on pack night, Thursday 6.30 'til 8 p.m. at Bleadon Scout Hut where they will be made very welcome.

Cub Scout Leader (8121813)

Tickets available from unit leaders.

FRIENDS OF THE CHURCH

Here is our new Church Mouse logo designed by Carol Tratt. But sad to say, our mouse has no name; so we are giving a prize for the best name. Age limit 13 years. Hand your entry into the Post Office with your name, address and age by the end of the month.

The New Year's Eve Grand Dinner Party in the Coronation Hall was greatly enjoyed by all the revellers. Our thanks go to all those who helped to make it such a special evening - MC Les Masters, musicians Greta Plank and Eric Goodwin, barman Len Chamberlain, the Morris boys and all who

helped to produce and serve a marvellous meal. A surprise birthday cake was presented by the Choir to Ivan the Organist, and the New Year was brought in with many a bang from all the balloons, and Auld Lang Syne.

We are planning a Dinner Dance to see in 1994.

Recent events in 1993 were a Pancake Party on 20th February, a Jumble Sale on 6th March and 2 Coffee Mornings at Westdown Cottage. The May Day Fayre on Bank Holiday Monday 3rd May approaches fast! Stalls this year are: Bathroom, Books, Bottles, Bric-a-Brac, Cakes, Crafts, Face Paints etc and Sheila Excell's Pictures. The Garden Stall and Movie Stall require someone to man them on the day. The following items will be new additions this year: Snapshot Competition - entry forms from the Post Office; Face Painting for children; Find Dracula's Castle Competition - win a Vampyr Vacuum Cleaner worth £119 donated by Loveridge's of Worle; Spot the Ball Competition; additional Bouncy Castle for the tinies; and the Chestnut Cloggies.

We hope to arrange a door-to-door collection week beginning Monday 19th April to pick up items for all the stalls. Thank you in anticipation of your generosity. If you would like to help in your village May Day Fayre, then do please contact us on 814739.

It's fun to be involved!

BLEADON VILLAGE WOMEN'S FELLOWSHIP

Currently our meetings have been well attended and the year has got off to a good start. The speakers have proved varied, interesting and entertaining and we have more to come. The Women's World Day of Prayer was held at St Christopher's Church Lympsham on Friday 5th March - this year it was the turn of the women of Guatemala. The service was well worthwhile and very enlightening about a country of which not a lot is known generally. Our meetings are held in Bleadon Church Room on the last Tuesday in the month - visitors are always welcome.

MJB

WESTON CAMERA CLUB

Members of the Weston Camera Club are pleased to be able to meet in your pleasant Hall and to enjoy the facilities it affords. The club has some thirty members and meets on Tuesday evenings at 7.30 pm. Each month we hold a competition for members to show their work, covering colour prints, slides and black and white photographs. It is not necessary for these to be processed by the member but the entrant must have taken the picture. These competitions are not only an opportunity to show off our work but we learn a lot from the qualified judges who assess it. On other evenings we enjoy talks about photography given by well known experts in their particular field, demonstrations of techniques by members and specialists from the makers of equipment and materials. In addition, of course, there is much discussion between members, solving problems, relating new techniques tried out, seeking and giving advice. Visitors are welcome at our meetings, at a small fee, and there is always room for new members. Our secretary, Ted Amesbury' will be pleased to supply any information. Telephone: Weston 627776
