BLEADON VILLAGE NEWS

NO. 39

NOVEMBER 1998

YOUR PARISH COUNCIL 1998-99

Council Members are as follows:

Brenig Evans (<i>Chairman</i>)	The Granary, Mulberry Lane	815352
Alistair House (<i>Vice-Chairman</i>)	1 Purn Way	815586
Len Chamberlain	Newbay Cottage	814517
Ivor Cottrell	Tor View Cottage	813665
Les Masters	Bleadon Post Office	812200
Penny Robinson	1 The Veale	814142
Mary Sheppard	Little Wood, Bridgwater Road	812921
George Wall	Purn Dene, Bridgwater Road	811273
Eric Wilkinson	Greenaway, Birch Avenue	812427

The Parish Clerk (to whom all correspondence should be addressed) is:
Bruce Poole 10 South Street, Burnham-on-Sea

Council Meetings are normally on the second Monday of the month, at 7.30pm in the Coronation Hall.

FROM OUR DISTRICT COUNCILLOR

Speed Limits on A370

North Somerset has completed the review of speed limits along the entire length of the A370. The subject generated a great deal of debate, especially in the Cleeve area. However I did manage to raise the priority to be given to traffic works on the section between Broadoak School and the Somerset boundary from the lowest (5) to a middle ranking (3). The proposals consist of: moving the 30mph limit towards Bleadon to include Windwhistle Lane junction, lower existing national speed limit (60mph) to 40mph and reducing the speed limit around the Hospital roundabout to 30mph.

Also included in this package is 'Consider central island, at Bleadon.' This is the Bridge Road/Bridgwater Road junction which had previously been proposed. Obviously this is the element I shall be encouraging at Highways and Transport sub-committee meetings where the detail proposals will be discussed. It has also been brought to my attention that a consistent set of lane marking at the Hospital roundabout, ie. a right turn only lane at each entrance to the roundabout, would be an improvement. I shall try to get this included in the proposals for the Hospital roundabout.

Traffic Calming

At long last things are starting to move on this issue. North Somerset officers are preparing a scheme to implement proposals for a 30mph speed limit and a vehicle length restriction. The proposals were discussed at a recent parish council meeting with Mr. F. Cox, Highways Network Manager, the parish council agreed, in principle. It expected that both schemes will

be submitted to the November Parish Council Meeting. Due to the heavy demand on limited resources for highway improvements, the scheme will have to be jointly funded by North Somerset and Bleadon Parish Council.

PLANNING

This is the last planning report for this year and I would like to take the opportunity to wish you all a Happy Christmas and a Prosperous New Year.

During the last month there has been much activity with planning issues. The most surprising matter to hand is an application for a Restaurant and Entertainment Centre together with Chalets and Bar on the site of Purn Farm. Bleadon does not want or even need a venue of this type and the location is highly unsuitable because of the access on to the A370. The car parking facilities are far from adequate for the size of the site, and the occupier of Purn Dene has a right of way through the site that restricts the layout. The Parish Council unanimously turned down this application and have pressed the District Council to do likewise. Other applications are:

- 1. 98/2402 Change of use, Shiplate Farm**
Change of use and conversion of outbuildings to granny annex. The Council approved this application subject to the following conditions: no commercial use, and not to be sold away from the main building, but kept as one unit.
- 2. 98/2402 Demolish Mobile Home at Accommodation Road (next to old Lympsham coal wharf) and replace with Bungalow**
Although the applicant has just received a five-year term on the existing mobile home, he now wishes to build a more permanent structure of a 2-bedroom bungalow. The Council were unanimous in accepting this.
- 3. 1935/91 Wessex Water wish to extend the Grease Tank Building at Bleadon Level**
Having already obtained planning permission for the site, any amendments are just courtesy gestures and are unlikely to be disallowed.
- 4. 98/2012 Demolition of Bungalow, Roman Road**
The applicant had this application refused by North Somerset Council due to size and appearance. He has now submitted a smaller scheme for the site which is less intrusive. The Parish Council has had a site meeting with Councillor McGrath and the Architect and have made the following recommendations; that the application be accepted subject to a ten-year planting scheme of trees and shrubs, planting to take place immediately where practical - that is, will not restrict the building work to be carried out.
- 5. 98/1426 Hillfield Farm, Mearcombe Lane**
The application was to be heard at the October meeting of the West Area Planning Committee. I understand that again a ten-year planting scheme is to be implemented because a lot of the trees have been lost to gales over the years, some with Tree Preservation Orders.

Verdicts

98/620 Construction of the Sea Wall has been approved.

98/1426 Conservatory at 3 Eastfield Cottages has been approved.

96/1571 Repositioning of plots four and five Whitegate Farm - approved following a site meeting.

No one will be happier than I when this site is finally finished. Why it has taken 16 months to complete one does not know. The Estate did not sell the site to Ware New Homes, and I wish the former purchaser had been able to fulfil his obligations.

Appeals

98/0726 Change of use from agricultural to commercial, Accommodation Road. The Council strongly recommend refusal. The access is on a dangerous 'S' bend and the road does not lend itself to this kind of activity. The owner's original application was for a warehouse and when this was turned down he went to great trouble to have it classified as an agricultural building.

BLEADON VILLAGE BRIDGE CLUB

The Bridge Club held its Annual General Meeting in May 1998 with the majority of members attending.

The Chairman reported an average attendance of 38 at the 48 meetings held during the year, once again including some Bank Holidays.

The Committee members and other 'volunteers' were thanked for their contribution in running the Club and were unanimously re-elected for the ensuing year.

The Treasurer reported a loss over the year and it was agreed that the Table Fees should be increased to 70p per session. Since the Spring, attendance has increased and a few more players have joined.

Since starting in 1991, the Club has been very popular, often with a waiting list. However, people living in the village have some priority for joining. If you would like to play a place can usually be found. Our sessions start at 2pm every Monday in the Village Hall. We look forward to another year of happy Social Bridge. (We are not at all frightening.)

Don Gardner. Tel: 812041

BLEADON SHORT-MAT BOWLING CLUB

We started our new season at the end of September and held our Annual General Meeting on 2nd October. The same officers and committee members were re-elected for a further year. It was agreed by the meeting that we should retain our existing subscriptions and other charges and also replace one of our bowling mats this year.

It was also decided that, now the hall has been enlarged in one corner, we might consider the use of a third mat. Unfortunately preliminary trials since then have shown the condition of the floor to be so poor as to make it unlikely that we could enjoy any practicable bowling in this area of the hall. It is far worse than the uneven and sloping areas on which we usually play. We have learnt how to overcome these difficulties and many visiting teams would argue that the peculiarities of our hall are one of our greatest strengths in competitive play.

This is our tenth year and although we will not be ten until next September it was agreed that we should make this year's annual supper a rather special event, with a somewhat more sumptuous repast than in previous years. It was agreed that, in view of our sound financial health, we should make this free to all members, with a small charge of £4 to any visitors. There will however be a restriction on the number of visitors.

We anticipate being able to accept a few new members this year so if you are interested please come along. Apart from the bowls we are also a very sociable bunch of people. Our regular playing occasions are:- **Friday evenings at 7.00pm & Sunday afternoons at 3.00pm**

John Ward

CHARITY WALK

The Queens Arms walkers easily beat last years total by raising over £2000 for Weston Hospicecare - a really gratifying result. I know that a number of our residents have had reason to be extremely grateful for the help given by the hospice. My apologies for hasty proof-reading of the last village news. The amount raised by Mark Tabrett was £168.

BLEADON ALLSORTS CLINCH SERIES AGAINST LYMPSHAM

I am sure that residents will be pleased to know that The Bleadon Allsorts Eleven defeated the Lympsham Allsorts Eleven on Sunday 9th August in an exciting last game to clinch the six game series by three games to two (one game having been rained off).

Bleadon lost the Allsorts Shield to Lympsham in 1996 and a drawn series last year allowed Lympsham to keep it until this summer. Bleadon lost the first two games this summer and then wrapped up the series with three wins in a row.

Steve Webber won the toss and elected to bat on a searing eighty degree afternoon and runs were very hard to come by for most of the innings. Bleadon finally amassed 131 with a sterling performance from Jason Parsons who retired on 51 not out.

Lympsham took the field after tea with a comparatively straightforward task from their thirty overs but soon hit trouble with their opening batsman falling to the medium pace bowling of the Bleadon attack.

A magnificent display of tight off-stump bowling from Jim Nipper, Mark Yeates, Keith Mann, Jason Parsons and Colin Payne severely restricted the Lympsham batting and Joe Cramond from Loxton finished off their tail end with a spectacular 4 wickets for only three runs leaving Lympsham with a total of 90.

The Lympsham captain Nigel Holland hit an excellent 36 and Nick Nelson was second highest Lympsham scorer with 14.

All-in-all it was a magnificent team effort by the batsmen, bowlers and fieldsmen from Bleadon and everyone is looking forward to next season with great enthusiasm.

Any Bleadon villagers who are interested in playing cricket for Bleadon next summer should contact Steve Webber on 814204 or Jim Nipper on 814863. We can offer a very full Summer's cricket if that is what you are looking for.

A Service of Hymns, Anthems and Readings for Advent Sunday led by our Choir plus friends, bringing a high standard of music to this special occasion.

Sunday 13th December

3.30pm CHRISTINGLE SERVICE
Followed by teaparty in the Scout and Guide HQ.
The Service will include the usual collection for the Children's Society and envelopes and collecting boxes will be available beforehand.

Sunday 20th December

6.30pm FESTIVAL OF NINE LESSONS AND CAROLS

Thursday 24th December (Christmas Eve)

5.00pm CRIB SERVICE
Specially for children, but adults very welcome.
11.30pm MIDNIGHT MASS OF CHRISTMAS

Friday 25th December (Christmas Day)

10.15am CAROLS AND CHRISTMAS DAY COMMUNION

FRIENDS OF BLEADON CHURCH

The Rendezvous Singers, under the leadership of David Lowton, provided us with a first class concert on 26th September and it was good to see a large audience enjoying the event which was part of the Weston Arts Festival.

Future events organised by the Friends of the Church include a Barn Dance on October 17th, the annual Punch and Pie Party at Purn House Farm just before Christmas and the New Year's Eve Party in the Coronation hall.

Watch for publicity and ticket sales nearer the dates.

Church of St. Peter and St. Paul

Bleadon, Weston-super-Mare

From the Rector

In the August edition of this Magazine, I mentioned that we have a Service most Tuesdays at 9.30am. This takes the form of Holy Communion (Eucharist). During this Service it is our custom to remember, by name, those whose anniversary of death is during that week. We see it as the Church's duty and privilege to remember those who have been part of our community or members of our families. The list is not exhaustive by any means, but we try to keep it as comprehensive as possible.

Annually All Soulstide provides us with another opportunity to remember and the special Evensong of All Souls at 6.30pm on the first Sunday in November is part of our calendar. This is quickly followed by remembrance Sunday and the traditional prayers and silence set for that day.

A most important element in all these Services is that of 'praying for' those who have died. We do not just look back but state our belief that death is not the end of life but the gateway to what I like to call the next stage of our lives. That being the case, it is right for us to pray for those who have departed this life as our expectation is that they will be praying for us.

Traditionally this has been summed up in the Doctrine of the Communion of Saints. If you wish to ensure that your loved ones are commemorated and prayed for at our Services, please let me know.

BLEADON CORONATION HALL

Our regular users will have noticed that the old entrance doors to the main hall have been replaced by a wall. The internal walls enclosing the old entrance foyer have been removed to create additional space in the hall. The new main entrance foyer is more or less finished although the ceilings have yet to be decorated but we expect this to be done by an Artex contractor in the near future. The small foyer created as the way in to the main hall has been decorated. The switches for the hall lighting have been relocated just inside the doors to this small foyer.

We still have work to do to finish the insides of the new storage areas; the smaller of which will become the hall cleaners stores. Now that the main hall alterations have been structurally completed we propose to obtain quotations for complete redecoration of the inside of the hall. We are trying urgently to deal with the restoration of the full heating facilities. Unfortunately two of the three gas heaters are unserviceable and, although we shall seek to repair them, it seems likely that because of their age they will have to be replaced at a probable cost of £1000 each. If this has to be done it will greatly deplete our financial reserves, which have in any case already suffered in support of the hall extension work.

At the time of writing we have had about three months experience of our contract cleaners. They have had a particularly difficult period during the internal construction work which created a great deal of dust and mess. We are particularly thankful for the excellent work they did in keeping the hall as clean as was practicable during this difficult time. Overall we can report that the management committee are well pleased with the new cleaning arrangements. However it is important that our users are equally satisfied and we would like to hear the views of many of our users. If you wish to make constructive comments we shall be pleased to hear from you and where appropriate please do this through your group's representative on the management committee.

Our recent Jumble Sale raised a little over £70 and I would like to thank all of you who gave jumble in support of the sale and of course to the public at large who came to the sale and bought our sale goods.

DATES FOR YOUR DIARY

Please ensure that your diary contains a reminder of the following event:

Christmas Coffee Morning - Saturday 12th December

Items for the bring and buy stall would be welcomed and if you can help in this respect, please contact Mrs. Doreen Woollan on 812478 or myself on 812136, preferably before the day.

The many local people who regularly attend this annual function are well aware that it is a pleasant morning out with an opportunity to meet old friends and have 'a good natter'. We always have a good number of different sales tables, a raffle and of course coffee and mince pies with some background music. If you have not previously attended why not come along this year and help swell the contribution to YOUR village hall funds.

Friday 22nd January 1999 -Saturday 23rd January	Pantomime	Bleadon Players

BUS SERVICE CHANGES

As a result of the Government providing funds, via Local Authorities, for the support of rural bus services, residents now have much greater opportunity to travel to and from Weston in the evenings. In particular it will be possible to catch a bus back to Bleadon after late shopping or a visit to the theatre as late as 11.35pm, Monday to Saturday. Timetables are available from First Badgerline or North Somerset Council - ask for Service 83

Work on the bus shelter has been delayed because of misgivings about the foundations. I understand this has now been resolved and work will commence shortly.

L.M.

BLEADON HORTICULTURAL SOCIETY

Although the 25th Summer Flower Show was slightly down on the number of entries and exhibitors, the quality on display in the Coronation Hall on September 25th was very high indeed. That was the comment of all the judges and the many villagers and visitors who attended throughout the afternoon. Maggie and Tony Pettit were both highly successful with Maggie carrying off the Vaux Cup for the most outstanding exhibit in the Show and sharing the Snelgrove, Newman Phillips Cup for the most points in the Cut Flower Classes with Teresa Chan and June Adams. Terry carried off the Galpin Cup for the best exhibit in the Vegetable Classes and shared the Warwick Cup for the most points in the Show with Penny Skelley. Jill Pettergell won both cups in the Floral Exhibit Classes, while Chris Cudlipp was successful in the FlowVeg Class and won the Kenneth Ham Memorial Cup. Joyce Tansley won the Wiltshire Cup for the best pot plant and Valerie Evans was successful in the Homecraft Section and won the Chairman's Cup and The Year of the Child Cup in the Junior Section.

Our next show will be the 25th Spring Flower Show and it will be on Saturday March 13th. We look forward to seeing all your daffodils, floral exhibits, pot plants, homecrafts and handicrafts in the Coronation Hall on that date.

AND NOW FOR SOMETHING COMPLETELY DIFFERENT

In Bleadon Players' early days (ten years ago) the idea of tackling an Alan Ayckbourn work would have been unthinkable. September's production of 'Confusions' was therefore a landmark in the progress since made. It is always pleasant to perform an Ayckbourn script because he is such a sharp writer but the pleasure this time was enhanced by the equally sharp response of the audiences. As with the 'Importance of Being Ernest' two years ago, we were the means of introducing some people to a major playwright's work; we never thought to carry such a cultural responsibility.

In January, however, we are going a step further with another world premier (following 'A Cure of Souls') this time of a work by our prompt Mary Churchill, who has worked long and lovingly on a local-set pantomime 'The Enchanted Golden Cockerel'. She may have been partly inspired by Rimsky Korsakov but I think our village church had more to do with it, so make a note in your diaries of January 22nd & 23rd.

L.M.

BLEADON YOUTH CLUB

Situated where it is, our Youth Club cannot escape notice by all who live in or pass through the centre of the village, but I suspect there is a fair amount of misunderstanding about its status and organisation.

Firstly, it is NOT under the control of the Parish Council. The leader, Colin Sandford, is paid by North Somerset, and responsibility for the club rests with its Management Committee; the Secretary being Reynold Badger, Forge Cottage, Mulberry Lane (tel: 811490), to whom all communication should be addressed. The land on which the building stands (and the waste paper skip) is leased to the Youth Club by the Parish Council.

Over the years the charges of rowdiness and vandalism have been levelled at the club a number of times, and it cannot be denied, on occasions, village children have been offenders. On the other hand, like all youth clubs, ours has often been visited by youngsters from outside, who generally behave worse when away from their own patch. Recent complaints resulted in a visit by our community policeman Fred White, which seems to have proved beneficial.

The following report from the Members Committee to the Management Committee suggests that there is hope for the Club in various ways.

"When we returned to the Youth Club after the summer holidays, we were pleased to see a turn out of 25 members. The amount of members since hasn't changed. We have also been talking about how we are going to spend the £200.00 promised by Tim Blasdale, North Somerset's Senior Area Youth Worker South, at the first meeting. Most of the members have put forward their opinions on what it should be spent on. We (the Members' Committee) feel that it should be spent on something that will not only benefit us but will also benefit future Youth Club Members.

The new lap-top computer has been a big hit amongst the members, from the feedback, we see that it benefits members of all ages. We are also in the process of deciding whether the Youth Club will be smoking or non-smoking. A secret ballot is now in process, so we will soon know what the majority of members want.

Colin has also made a great effort to encourage the members to be more aware of general news around us that will affect our future. He recently arranged a ballot to see our opinion on European currency. He has also been pulling us into getting a programme together for the winter.

To sum up the committee report we feel that the Youth Club improved dramatically, just by minor changes, ie. the recovering of the pool table, the extra lap-top computer and other computer material. The Club seems to have a better atmosphere, partially due to a better turn out."

The Club is open on Tuesday and Friday evenings.

CONTACTUS, BLEADON - AUTUMN REPORT 1998

Although since the summer of last year the number of people moving into our village was extremely small until about this last July, this has been amply compensated by the number of new Bleadon residents since then. For this reason we felt it necessary to arrange our annual 'Welcome Party' as speedily as possible and this was actually held on Tuesday evening, 20th October.

Just over 50 of our new 'Bleadonians' attended in company with most of our own committee members and representatives of the Guide and Scout movement, the Bleadon Youth Club and the Friends of Bleadon Church. Our Rector, Revd. David Parkinson, was also with us to give a personal and individual welcome to everyone present. A matter of regret was that our postmaster, Les Masters, was unable to be present on this occasion as he is very closely associated with most village organisations and is the Editor of this 'Village News' booklet. I am quite sure that, if you seek information on any village matters, Les will be only too happy to provide it or to refer you to the person who can tell you.

One matter that pleases us is to hear of newcomers joining eagerly in the social, physical, cultural or spiritual affairs of our village and we were delighted to hear that most of our recent villagers had already 'joined up'. You can always be assured of a warm welcome because here in Bleadon we are that kind of folk.

As one of our Contactus commitments is to contribute financially to one local charity or good cause each year we have decided to help a little bit towards the funding of Rebecca Boyce's trip to Chile where she is to represent the area Guide and Scout Movement at the World Jamboree.

In order to help fund our Contactus activities we hold a Barn dance once a year. The next one will probably be in March 1999 when we beg you, please, to give us your maximum support.

Our very warm thanks to all who have informed us when the occupants of homes in your immediate area have changed over. May we please appeal to all of you to do this for us. Please contact Phil and Mary (Tel: 812667) or me on Tel: 812436.

Our best wishes to you all

John Thomlinson (Chairman)

BLEADON FRIENDSHIP CLUB

The Club re-opened on September 4th after a summer break. A trip to Cribbs Causeway has been arranged for November 19th, a Coffee Morning in the Hall on November 14th. Do come along and enjoy a cup of coffee with us on any Friday afternoon at 2.15pm to a weekly meeting.

Joan Diment

November	6	BINGO with Jack Thorne and Friends
	13	'WHAT'S THAT?' - Chris Cuddlipp
	14	COFFEE MORNING
	19	OUTING - CRIBBS CAUSEWAY
	20	MUSIC with 'HARRY'
	27	MUSIC etc. Joan Goodman and Vera Field
December	4	BEETLE - Sylvia (Christmas Cards in Box Please)
	11	'LIVING IN BAHRAIN' - Mrs. J. Smith
	18	CHRISTMAS PARTY- Lunch, cards and music - Marshall Riddell

FIRST BLEADON (ST. PETER AND ST. PAUL) CUB SCOUTS

The Cubs are busy at the moment working on their first-aid badges. They are in their third week now and enjoying it very much. We have all learnt the ABC of first aid - airway, breathing and circulation. Anyone willing to have the boys practice the kiss of life on them please report to the Scout Hall any Thursday evening! At the end of the fifth week the boys will hopefully have yet another badge to sew on their sleeves.

We have given out quite a few badges since we returned after the summer break including one Computer Badge, numerous Animal Lover, Community and Camping Badges. Well done to all.

This time of year is always busy for us. We have a bonfire night on 5th November, a Group Carol Service in December, Christmas cards to make, decorations to hang, a torchlight walk and then, of course, there is the party! and in between we somehow manage to play some games.

If anyone has a special craft and can spare a few hours on a Thursday evening to teach the cubs, we would be delighted to see you.

Thank you to the people who supported our silent auction on the 3rd October. A lot of time and effort went in to organising this event to raise funds for our group. It's a pity we did not get the support of a few more parents. Special thanks to Peter and Ruth Hore and Margaret and Harry Beeby for their help in making this a success and also to Keith and Jo Pike for making the tea. We raised £136 for the group.

Betty Paterson & Stevie Rhodes (Tel: 812183/813497)

BLEADON BROWNIES REPORT

Following the summer break Bleadon Brownies are back in action. Joanne Kidner joined us in September and she is due to be enrolled soon.

The Brownies have been looking at the local nature environment and discovered several minibeasts around the car park that they didn't know existed. They have also been looking at how to identify various trees by their leaves and buds. In the next few weeks they are hoping to talk with a tester about what they have learnt, and gain the Discoverer badge.

During the run up to Christmas the Brownies will be rehearsing hard for a Nativity performance for parents and friends. We are then hoping to go to the pantomime in Weston to see how the professionals do it!

Victoria Daintree (Tel: 01934 750313)

BLEADON BEAVERS

After half term, Beavers will be moving to Wednesday evenings from 6-7pm.

Our group is still going strong. We now have 18 Beavers and a waiting list. However, many of our original Beavers are to swim up to Cubs in the new year, so now is the time to put your son's name down if he would like to join in our fun, and is aged 6 or 7.

We have also had a few other changes. Nicola is now holding most of the meetings due to my new job, which sadly does not get me back into Weston until quite late. Both Nicola and I are available in the evenings to take your calls, and our answerphones are always on.

We are also looking to find further leaders to assist us as times are very hard time-wise. There is a small amount of training involved, but the more leaders we have, the more we can share the responsibility, thus making it more manageable all round. We are waiting for your calls.

Jane Steel (Tel: 629903) & Nicola Hulin (Tel: 620048)
