**Rair Foundation first broke the story by posting a video of a speech by the Dutch MP, Thierry Baudet, who refers to a 2010 Rockefeller Foundation Report that laid out the pandemic and its aftermath, that is eerily like what the world has just experienced.**

Baudet is a rising star in European conservative politics.

## A NEW EU STAR: Populist and Instagram Star Thierry Baudet Stuns Dutch Political World with Win in Provincial Elections

Thierry Baudet (AD.nl) Political newcomer Thierry Baudet stunned the Dutch political scene on Wednesday with a victory in provincial elections. Thierry has been in politics for less than two years. Baudet said, “Even after the Pandemic is over, the researchers wrote the authoritarian control would remain with supervision of the citizens and their activities.”

Here is a partial transcript of what he said, but you have to watch the whole thing for yourself:

*One of the most influential NGOs in the world developed several scenarios for the future of technology and international development. This report and in this report the Rockefeller Foundation describes the so-called “lock step Scenario” on the coming of a worldwide pandemic and its aftermath. Already in 2010, according to the scenario- and I have it here with me- the Chinese would be the first, to begin with, “required quarantine for all*

*citizens.. that is a quote- and immediate and almost heretic closing off of all borders.*

*National leaders would strengthen their power with laws, rules, and restrictions from the requirement of wearing masks to body temperature checks to enter their stations, planes, buildings, It all comes in here. But it doesn't even stop there.*
