## Date and time

Wed, 25 Oct 2023 13:00 - 14:00 BST

## Location

Online

Creating Biodiversity Corridors Through Ou - 1 +

Free

Reserve a spot

Join us for an exciting online event, in which we introduce our LivingPillars™, an innovative solution to the challenge of bringing biodiversity into our cities.

We will demonstrate how strategic, sustainable, planting on lamp posts helps form biodiversity corridors to join up our green spaces by providing 'service stations' for our invertebrates.

We reveal our developmental journey and challenges faced as we introduced a scalable greening concept (patent pending) to our cities and how cutting edge technology powered by solar ensures plants are kept healthy.

Don't miss out on this opportunity to learn, connect, and contribute to the creation of biodiverse cities!

If you would like to learn more about the any of our innovative products and services, we offer regular CPD's.

The CPD will cover the following topics including design, installation, and maintenance:

□ Living Walls

□ LivingPillars™

□ Micro-Forests

□ LivingArt™

□ Maintenance

If you have a particular area of interest, do let us know and we can focus on that topic.

Please email Kyleigh at [enquiries@scotscape.co.uk](mailto:enquiries@scotscape.co.uk) to arrange a convenient time.

We look forward to hearing from you.
