Police State Contagion: US Plan to Use Bioweapons to Impose Martial Law One Quarantine at a Time

THIS VIDEO IS EXPERIENCING EXTREME CENSORSHIP

PLEASE HELP BREAK THROUGH THE CENSORSHIP - OR THEY WILL WIN

This past week users were reporting that Youtube was removing the investigative report exposing the Rockefeller Foundation's step by step guide to the imposition of Authoritarian control of the world's populations.

Please either directly link to this video or download it in full resolution and upload to your Youtube account, also to other sites such as Reddit, Facebook, 4Chan, etc.

One thing to note is that Twitter, so far, has not been censoring this video yet. Google and Youtube (same company) have been deleting it sometimes within hours. Strangely though some very large uploads with lots of views are still online. (one has 150K plus views and another 100K views and there are others that are hard to find because the search algorithm is blocking access to them.

So one way would be to directly link to the archive.com version

Since I am blocked and have a very small Twitter presence, anyone wishing to help may do so by posting this video to whomever is a personalities who do have significant Twitter audiences and GET IT OUT THERE. Lots have seen it but it is being blocked without a doubt. One good thing about Twitter is that anyone can post to anyone else's account. And this may work.

HERE IS THE BEST VERSION AT ARCHIVE.ORG (however recently they require registration to view) <https://archive.org/details/usplantousebioweaponstocreateprisonplanet>

HERE IS A BITCHUTE VERSION: (warning it doesn't always load a thumbnail in twitter arrg:) <https://www.bitchute.com/video/yx06x2dJnTRc/>

HERE IS ANOTHER BITCHUTE VERSION: <https://www.bitchute.com/video/MCnAinXCDBx0/>

HERE IS ANOTHER BITCHUTE VERSION: <https://www.bitchute.com/video/594pO68jxcMq/>

HERE IS A YOUTUBE VERSION 155K views (may not last long though) <https://www.youtube.com/watch?v=wuOxG-rnj30>

HERE IS ANOTHER YOUTUBE VERSION 200K views (may not last long though) <https://www.youtube.com/watch?v=5ZC0NOIjRWQ>
