21:37 - The advertised role for a Senior Project Manager for the "mass vaccination program" to be rolled out in Wales.

25:51 - COVID 19 Proposed Social Distancing Framework: - A breakdown of how society will potentially be controlled through "social distancing measures." Looking at the proposed "Alert Levels" can be used as an applied psychological control mechanism.

Sources:

Proposed Social Distancing Framework: https://downloads.bbc.co.uk/worldservice/english/covid-19_proposed_social_distancing_framework_briefing_aid.pdf

32:52 - Increase in surveys indicates that the State is potentially becoming increasingly concerned that they are losing public opinion. Evidence from a Twitter poll run by Patrick Henningsen indicating increasing mistrust of the official narratives.

33:00 - Alex Thomson highlights the legal arguments of, and evidence presented by, Dr Rainer Fuellmich, trial lawyer and eminent professor, who, as part of the Extra-Parliamentary Coronavirus Enquiry, is looking towards launching a class action liability lawsuit to challenge the legitimacy of lockdown measures.

Sources:

Dr Rainer Fuellmich Statement: <https://www.youtube.com/watch?v=kr04gHbP5MQ>

41:54 - Alex Thomson leads a discussion on the differences between Common law and the Napoleonic "civil" law jurisdictions. Questioning the problems of trials without juries and the

inherent bias favouring power in "judge" led rulings. Highlighting how we need genuine Common Law.
