Mr Bruce Poole Parish Clerk

OS6.2 To receive any declarations of interest

None

OS6.3 To resolve to agree precisely on the re-positioning of the "Goal Posts" following the approval of the Open Spaces Committee's resolution agreed on the 9th September 2013.

The committee met to establish repositioning of the poles placed in the play area as goal posts. This was to react and address complaints from local residents about the distress and disturbance caused by footballs landing in their gardens as a result of the posts position. The committee took note of the resident's comments and the ROSPA report on the safety of the play area.

Resolved that the posts should be repositioned two metres in front of and between the two trees in the park facing the Coronation Hall. The two smaller posts either side would be completely removed and the taller posts would have 45 degree ends to deter climbing.

Resolved to get a quote for extending the lower fencing to the right of the trees.

This would negate the footballs going over the fence into the road and gardens and would also allow a natural break for the balls with the trees Councillor House will get a quote for the works this will be reviewed alongside the quote already received and the contractor will be assigned by the committee accordingly.
