October '92

## FIRST, THE GOOD NEWS!

Amidst all the national and international news of recession, war, famine and so forth, it is refreshing to be able to report a few items of progress and success on a local scale.

The long-awaited and much-needed resurfacing of The Veale is now finished, complete with drainage, and the improvement is tremendous. For this we have to thank Woodspring District Council, and for the clearing of the long bank between Shiplate Road and the first part of The Veale. The latter has both made driving safer and transformed the appearance of the area. Old School Lane has also been greatly improved by re-surfacing and drainage work carried out by Avon County Council.

A different department of Avon caused an outcry by deciding to deprive Bleadon and other villages of the mobile library, but again the outcome has been happy. Many residents, and the Parish Council, wrote in protest, with the result that from 21 September the fortnightly service has been restored. Full marks to all who took the trouble to write, and who knows the effect of Betty Harrison's forceful participation in a Radio Bristol phone-in?

*Les Masters*

## Compulsory Purchase Order, Heathfield

The Policy Committee of Woodspring DC recently decided to proceed with a Compulsory Purchase Order on Heathfield, Shiplate Road. The property is an uninhabited, derelict cottage, almost hidden by its overgrown garden, situated opposite the further end of The Veale. The reason for the Compulsory Purchase Order is that for some years the cottage attached to Heathfield has been seriously affected by damp from the derelict property, the owner of which has taken no action. We publish this to dispel rumours that the CPO refers to other property in Shiplate Road.

*Les Masters*

## PLANNING REPORT 14th September 1992 - PARISH COUNCIL MEETING

### Outstanding Applications

#### A1101/92 - Proposed 'Honda' Sign - Amended Plans

This is an amended application which proposes to locate a considerably larger sign than the existing one, 4.8 metres back from the edge of the carriageway in front of where the old petrol pumps used to be and to remove the existing pylon. The Planning Committee have looked at the proposed site and have recommended refusal. As the new pylon would be 5 metres high and 1.3 metres wide it was considered that apart from being too large for a rural aspect, it would still restrict the vision of motorists at the junction of Bleador Road and the A370.

The existing sign has been a constant source of controversy, and in view of this Woodspring have been asked to consider this application very carefully before making their decision.

---

### **1257/92 'Sunnymede' Purn Way - Construction of 3 Dwellings**

The Parish Council recommended refusal on the grounds of overdevelopment, poor access, surface water drainage and sewerage. It was also refused by Woodspring on 7th September.

### **1306/92 'Outlook' Roman Road - Single Storey Extension**

This application has been refused, but an amended plan has now been submitted for a rear extension to the existing garage. The Planning Committee has looked at this, and on this occasion could not find any grounds for objection and have recommended approval.

## **Planning Applications**

### **1399/92 Pre-fabricated building for fodder/tractor - Bridleway, Roman Road**

Approval has been recommended.

### **1409/92 Residential Development - Whitegate Farm - Construction of 8 Dwellings**

Refusal has also been recommended for this application on the basis of over-development, poor access and surface water drainage and sewerage. It will go before Woodspring Planning Committee on 28th September 1992.

### **1436/92 Erection of Wind Monitoring Mast for 12 months-Part Field 6467 Bleadon Hill**

This application was for the erection of an experimental wind monitor in a field off Roman Road not far from the picnic area. As this is an area of outstanding natural beauty and the mast would stand 30 metres high, it was considered by the Parish Council Planning Committee that it would intrude on the skyline. There was also concern over the lack of information as to the long-term purpose of erecting this mast and it was agreed that refusal should be recommended. This has now been deferred by Woodspring until comments have been made by the Mendip Hills Joint Advisory Committee.

### **1592/92 - Unit 5 Purn Farm - Light Industrial Window Manufacturer**

Planning Committee have recommended approval for this application. It will be a small concern, and will only involve a couple of vehicles a day. Woodspring have refused it, however.

## **APPEALS**

### **0795/92 - Riverside View, Shiplate Road, Bleadon. Demolition of Outhouse and Lobby Bedroom Extension**

Woodspring are waiting for the inspector to visit the site so there is no date for an appeal as yet.

### **0815/91 - Shiplait Slait, Bleadon - Erection of Mobile Unit to House Chicken Enterprise**

A public enquiry is to be held at the Town Hall on 6th October.

---

## WASTING TIMES

I must plead guilty, alongside most people, to helping to destroy parts of our planet. I do this by wasting resources which can never be replaced and by encouraging manufacturers, through buying their products, to produce more and more goods which will sooner or later be disposed of, but which will have consumed precious energy to make, and will have added more pollution to the world. We live in the most wasteful, throw away times ever, and all because we seem unable to escape the pull of twentieth century consumerism and instant convenience. And yet I believe we can do something to reduce this pull, and given time, our attitudes might change altogether. I have a theory that our planet is more likely to be destroyed by suffocation from plastic carrier bags than by holes in the ozone layer. Do we actually need new carrier bags every time we buy something? I don't think so; we could use old ones or take some other form of shopping bag. It is questioning the need for items such as plastic carrier - and various forms of packaging that is perhaps the first step in reducing the amount of waste we throw away.

Another step is to consider which items of waste can be used again or recycled. There is nothing new about the concept of recycling; it has been around for a long time. I suspect that the early Neolithic farmers soon discovered the benefits of spreading animal manure on the land to help their crops grow and in another area of human activity it is probable that precious metal objects have been melted down and reshaped throughout the ages. One of the greatest ever recycling programmes was undertaken during the Second World War when everyone was asked to collect unwanted pots and pans so that the metal could be used for other purposes.

There is already an element of recycling going on in many households; jars and bottles are re-used in various ways, kitchen waste is used for compost, large envelopes are re-used and yoghurt pots and margarine tubs are sent into playgroups and primary schools where they take on a very wide range of functions. Many people contribute to organized recycling schemes of a voluntary nature such as newspaper collection, or support charitable initiatives such as collecting foil or cans. It also seems that there is a growing use of Woodspring Council's collecting banks.

However, we must do more, and fortunately this, at last, has been appreciated by our politicians. Government legislation (1990 Environment Protection Act) requires local authorities to prepare statements of recycling arrangements and has set a target of 25% of household waste to be recycled by the year 2000. Woodspring District Council has responded to this by appointing a recycling officer and drawing up a comprehensive recycling plan. This is an excellent document full of fascinating information and containing ideas and proposals which will help the district meet the Government's 25% target. Woodspring officers are to be congratulated on their plan.

A great deal of information is presented including tables of local and national statistics (for example, industrial waste nationally is estimated to be 80 million tonnes per year, and household waste 18 million tonnes); an analysis of the domestic waste stream (paper 25.6%, glass 8.7%); a list of local recycling facilities and addresses; a costing of alternative recycling schemes and a future strategy. For the moment Woodspring's policy is to expand its scheme of free-standing collection bins for materials which can be recycled and encourage residents to use them as much as possible. It is recognized that many more of these bins need to be provided in the district so that a higher rate of usage can be attained. Future strategy on waste collection in the district will be flexible enough to review the

---

provision so that alternatives, such as separate dustbins or wheeled bins for recyclable and non-recyclable waste, can be introduced if necessary. As part of the plan an interesting pilot scheme for home composting is currently being run by the council in order to look at the possibilities of reducing kitchen and garden waste.

Like most things in society we can bring about change if we exercise individual responsibility on the one hand and work together as a community on the other. As individuals we can refuse the kind offer of a plastic carrier bag next time we go shopping and we can remember to put our bottles and jars in the glass bank. As members of the community we can support the considerable efforts being made on our behalf to devise systems to reduce the mountains of waste we humans produce. And, of course, if we all give just a little bit of time to sorting out our household rubbish we can cut down waste in these wasteful times.

*Alan Kerr - District Councillor*

\*\*\*\*\*

## **FOOTPATH IMPROVEMENTS**

Three major improvements have been made to the parish footpath network during the past year. The most obvious, because it is on the most heavily used path, is the flight of steps onto South Hill from the churchyard. Andy Ballard thought of it, and with the help of Scott Morris constructed the steps. Atlas Stone donated the chippings, Malcolm Hillyer transported them, and John Ridings spread them on the lower part of the path. All in all it was an excellent co-operative effort.

The walks around Purn House Farm onto Purn Hill have also been greatly improved through work done by the Mendip Wardens, led by Andy Eddy of Bleadon Hill. Several new stiles and a kissing gate have been installed so that the route round the farm is much more clearly defined. The access from the junction of Bleadon Road and Purn Way has been made much easier, with steps and a stile eliminating the need to cope with two heavy metal gates. The co-operation of the House family is also greatly appreciated.

The Wardens installed further stiles in the field above Wonderstone so that the path from Hellenge Hill to Shiplate Road at this point is clearly defined. This links with the path across South Hill, completing a very attractive circuit.

Another, much longer circuit was completed by the stile erected by Mr Poole, of Lake Farm, providing clear access between South Hill Farm and Shiplate Farm.

*Les Masters*

\*\*\*\*\*

## **BLEADON PLAYGROUP**

The Playgroup meets on Monday, Tuesday and Thursday mornings from 9.30 am - 12.30 pm for children aged 3 years upwards. this term we are planning projects for Bonfire Night and Christmas. Along with fund-raising events including an Usborne Book Sale and a Jumble Sale.

For further information please contact:-

**Mrs C Richardson - Tel: 812704**

---

## 1st BLEADON SCOUTS

The highlight of the Scouting Year, Summer Camp was a great success. I wonder how many of our readers can remember their nights under canvas? Our return to Exmoor beside the River Barle was rewarded with one of the few dry weeks of the summer. Under Rob Brown's encouragement over 35 proficiency badges were awarded ranging from Air Researcher to Camp Cook. Also 11 awards were completed. A rope bridge across the river proved popular and the troop enjoyed doing some good deeds for the new owners. The most memorable afternoon was spent sea fishing off Minehead. Our catch was cooked for supper, the Pouting proved more popular than the Dogfish.

Finally, a family disco is being held in aid of the New Hut on Saturday 26th September.

*Dave Boley*  
*Scout Leader*

### **Re-building of the Bleadon Guide and Scout Headquarters**

You will have noticed the condition of the existing Bleadon Guide and Scout Headquarters. It is unsightly and a focus for vandalism. It is now beyond repair and a new building is needed.

A committee was formed some eighteen months ago to raise money to build a new Headquarters. We have now raised approximately a third of the building costs and are appealing for contributions in the following ways:-

- 1 More committee members with fresh ideas
- 2 Practical offers of help, eg plumbing
- 3 Financial help

With a bit of effort now we can construct a building which is for the benefit of the younger members of the community for many years to come. We already feel we are well on the way towards this goal but it is agreed a concerted effort will lead to the task being completed sooner rather than later.

**Please contact:**

Karen Wheeler                      Tel: 632514  
David Boley                              Tel: 750666

\*\*\*\*\*

### **BLEADON VILLAGE BRIDGE CLUB**

The Bridge Club continues to attract addicts, with a full complement of fifty members and five visitors on the waiting list. Our average attendance is now nearly forty.

If anyone could spare the time (about one hour) or so on Monday afternoons to make tea and wash up ('paid') we would be very grateful.

*Don Gardner - Tel: 812041*

---

## **PURN HOUSE FARM - OPEN DAY SUCCESS!**

Alistair and Charlotte House would like to thank everyone who came to our Open Farm on Sunday 19 July. We managed to raise over £600.00 which has been sent to the Cystic Fibrosis Research Trust. Our daughter Erica, now 14 months old, has Cystic Fibrosis so we wanted to say 'Thank You' for the care she has received so far.

Despite a rainy morning, the afternoon turned out to be glorious. Everyone enjoyed themselves petting and feeding calves, clambering over straw bales to watch the milking and watching a bee-keeping demonstration. Harry Beeby showed some fascinating slides of Bleadon's past. Our farm secretary demonstrated spinning and Woody White was carving his amazing fairground horses. Ice creams and cream teas on the farmhouse lawn provided suitably rural refreshments! We were encouraged to see people enjoying themselves, whilst raising money for such a worthy cause. We are planning a similar event next year, so please look out for posters nearer the time.

\*\*\*\*\*

## **Church of St Peter and St Paul - Restoration Appeal - Gift Days**

At the launch of our Appeal on 24th March last we were seeking to raise a further £30,000 towards the cost of restoration of the Chancel roof and of the South Porch. Although, through the generosity of parishioners and others, we have made good progress towards our target we are still some £9,000 short of achieving it. With this in mind we are preparing to hold Gift Days on the dates given below and we hope that you will feel able to make a contribution. Envelopes for this purpose will be available in Church and at the Rectory during September. Please remember this is our Church and it is up to us to take good care of it for future generations to enjoy. We ask you to be as generous as you can and we thank you in anticipation.

The Rector and Churchwardens will be in Church to receive your gifts on:-

Sunday 4th October at the Harvest Festival - 10.15 am  
Monday 5th October at Morning Prayer from 9.00 am - 12 noon  
Monday 5th October in the Evening from 7.00 - 8.00 pm

*Harry Beeby - Chairman Resources Committee*

## **BLEADON FRIENDSHIP CLUB**

The Friendship Club re-opened on 18th September and members enjoyed an interesting talk on the experiences of a nurse in the poorer parts of Calcutta.

The holiday in Scarborough was enjoyed by more than forty members who found the Yorkshire countryside very beautiful.

Entertainment continues every Friday with our usual harvest meeting on 9th October. Visitors and new members are always welcome on Friday afternoons at 2.15 pm.

EMT

---

## THE BLEADON YOUTH CLUB

The Youth Club continues to meet on Tuesday and Thursday evenings from 7.45 pm for club meetings and on Mondays for table tennis match nights - we have two teams, one in Division One and one in Division Two. Table tennis coaching is available to any young person who wishes to attend the club on a Thursday evening; all levels of play are coached by qualified ETTA coaches who kindly attend voluntarily to promote the sport in Bleadon and District. Many of our members have already benefitted greatly from this coaching experience, which has been going on for the last eighteen months.

On Tuesday evening; 15th September (8 pm - 9.30 pm) initially for 6 Tuesdays, we are running a handicraft course in Marquetry and Parquetry, kindly instructed by Bleadon's own Woody White, who has offered his time and expertise. Woody has indicated that if there are adults interested in the village, he would be prepared to extend his free tuition to include all interested parties. Cost to adults for tools and veneers used would be approximately £10 each.

### The Youth Club Recycling Scheme

Most of you are aware that the club recycles newspapers, magazines, telephone directories and cardboard via our orange skip situated at the east end of our building. We have already filled four skips this year - thank you for your help. We also collect aluminium - usually in the form of drinks cans.

### Christmas Treasure Hunt

The Youth Club Management Committee are intending to organise a Treasure Hunt on foot on Monday 28th December 1992 from 10.00 am - 12 noon followed by light refreshments and raffle at the Youth Club. The entry fee will be £5 per team (of 4 maximum). Entry forms/tickets will be available from all members of the Management Committee - initial enquiries to Mr Hayden Durant, our Vice-Chairman on Tel: Bleadon 812493. Please mark your diary for this date and for a chance to prove that you know all about your village.

*Colin Sandford - Youth Leader in Charge*

## WOMENS' FELLOWSHIP

Our New Year starts at 2.30 pm on Tuesday 22nd September after our summer break, when hopefully, all members had a good holiday either away or at home. During the last twelve months we have had some very interesting speakers (many thanks to all who contributed). I hope our new programme will prove as interesting and successful.

Looking forward to welcoming all the old and maybe a few new members at our opening meeting. Do come and join us!

The September meeting will commence with a short service in church conducted by Father David - afterwards in the Church Room to tea and biscuits. Finally, a heartfelt thank you to our outgoing Secretary, Mrs Barbara Hillier, for all her hard work on behalf of the Club.

*M J Blinkhorne*

---

## BLEADON CORONATION HALL

It is pleasing to report continuing success in the number of bookings and variety of usage of our Hall, and some of the regular and forthcoming events are listed below - the organisation concerned all welcome additional attenders at their functions.

The Skittles Week at the Queens Arms in August provided enjoyable sociable evenings with a competitive edge, whilst boosting our funds by around £120. Thanks to all who supported us, both as competitors and organisers, and to Mike, our Queens Arms host.

The Committee held a 'clear-out evening' which disposed of a skip full of assorted accumulated rubbish, which has considerably improved the tidiness and usefulness behind the stage area.

Good enthusiasm was apparent at a meeting in early September between representatives from the Hall Committee, the Guides/Scouts/Brownies, and the Parish Council to investigate a joint venture to replace the wooden Guide/Scout Hut whilst improving the Hall's storage, toilets, cloakroom and entrance facilities, always bearing in mind the long-term possible needs for the main body of the Hall. Plans are being drawn up, costings prepared, and means of finance investigated prior to further regular meetings to progress the project. Watch this space!

*Peter Lindsay*

## FRIENDS OF THE CHURCH NEWS

### Recipes

We are going to publish the Bleadon Cook Book and we need your exclusive favourite recipes, preferably old and interesting, mouthwatering or simply delicious. Please tell us where they come from - perhaps your mother, grandmother or great-grandmother even! - or it may be simply a well-tried regular. Who knows? - but we want to know!

We will put your name to it and its origin. Also we want your favourite household hints and tips - let's pool our kitchen experience and produce a village cook book to remember. It will be sold in aid of the Church Restoration Appeal Fund.

Recipes and tips to June Weaver please, (whose idea this is) at 15 Maidstone Grove, Totterdown Lane, Bleadon Hill, Tel 813930; or to Sylvia Grime, Westdown Cottage, Purn Way in the village, Tel 814600.

### Petrol Vouchers

Thank you for your response to our plea for petrol vouchers in the Church Magazine. The jars in the Church and Post Office are filling up beautifully with those unwanted vouchers and we will soon be choosing some good original prizes for the Silent Auction and our raffles.

## PLEASE KEEP GIVING YOUR VOUCHERS!

### Diary Dates

Silent Auction Saturday 7th November at 7.30pm in the Coronation Hall

Please may we have any items, new or second hand in good condition, that you have no further need for, which could appeal to others and be sold at our Silent Auction. It will be a good evening out as there will be a licensed bar with bangers and mash for supper. Tickets will be £2.00.

### New Year's Eve

Here's your great opportunity to avoid the drink/driving problem or the expensive alternative of a taxi on New Year's Eve, as the Friends of the Church are putting on a GRAND NEW YEAR'S EVE DINNER PARTY with a licensed bar, seasonal entertainment and dancing in the Coronation Hall. Don't be disappointed - book now!

**WATCH THIS SPACE!**

Tony Ewin

## THE BLEADON INFANT WELFARE CLINIC AND TODDLER GROUP

The Clinic and Toddler Group meet every 4th Wednesday in the month from 10 a.m. to noon, for babies and children from birth to school age. The Clinic is an opportunity for parents to keep a check on their children's health and progress. In a friendly atmosphere they can chat and have a coffee, while their children play. It is a chance to get to know other local parents and children, and we do not have the parking problems of a town clinic. Mrs Sims, our local Health Visitor is always present with advice and support.

**WE NOW HAVE A VACANCY for a VOLUNTARY HELPER** once a month, to assist in the running of the toddler group and Clinic. If you enjoy the company of young children, and can lend a hand with opening the Hall, making coffee and assisting the Health Visitor, please give her a ring on Weston 636363. or call in and see her at the next Clinic. No experience needed, age no barrier and it's only two hours per month!

\*\*\*\*\*

## BLEADON WOMEN'S INSTITUTE

The monthly meetings have continued with good attendances and interesting Speakers. In June a visit to Jasmine Cottage, Clevedon, proved very enjoyable and at the June meeting there was a very entertaining talk by Mr Martin Davis, illustrated by slides, of the building of the tombs of the Pharaohs in the Valley of the Kings in Ancient Egypt.

At the July meeting Mr Christopher Sperring gave a talk on Owls and the efforts being made to prevent their extinction.

There was no meeting in August but the Institute held a Jumble Sale during the month in aid of W.I. funds, and this was very successful.

The September meeting had a welcome return visit from Mrs K.A. Garrad who gave a demonstration on Sugarcraft, at which she is an expert, including novelties and cakes with Christmas in mind.

The Autumn Council Meeting is being held at the Winter Gardens on 23rd September and the Group Meeting is arranged for 20th October at the Milton Methodist Church Hall.

At the October meeting Mr John Osborne will talk on his life as a farmer and entertainer, and the Annual Meeting of the Institute will be held in November.

M W

---

**JUBILEE GARDEN FUND  
HALLOWEEN DANCE**

**31st OCTOBER FROM 8.00 - 12.00 PM**

**CORONATION HALL, BLEADON**

**Disco, Buffet, Bar, Raffle**

The purpose of holding a Halloween Buffet and Dance is twofold; firstly, to enjoy a great evening and secondly to raise some funds which hopefully will help to enhance the appearance of the village during the coming year.

Any proceeds will go towards providing more tubs and flowers around the village and also improving the appearance of Jubilee Garden, which will be done in consultation with the Parish Council, who themselves set aside an annual budget for planting the existing tubs etc throughout Bleadon. This year, apart from the tubs, over 100 bedding plants were planted in Jubilee Garden alone, though sadly many of these did not survive the dry hot start to the Summer.

I am sure if you support this cause, and enter into the 'Spirit' of Halloween, you will have an enjoyable evening and look forward to a 'Bleadon Beautiful' year in 1993.

I would also like to thank John Riding who has given up much of his time to do battle with the infestation of bindweed etc which, without all the weeding he has done, would have smothered Jubilee Garden completely.

*Jill Bowmer*

Tickets available from:-

Jill Bowmer	Tel: 814801	Sue Strobe	Tel: 815141
Marion Perkins	Tel: 813132	Judith Evans	Tel: 815352

and the Village Post Office.

Donation of Raffle Prizes also gratefully received.

## ROYAL BRITISH LEGION LYMPSHAM AND BLEADON BRANCH

The Annual Flower and Vegetable Show held on 15th August was very successful owing to the hard work of Mr W Stephens and his team. Also the newly formed Gardening Club was a great help at this event,

**The Festival of Remembrance** - Winter Gardens, Weston-super-Mare

This is to be held on Sunday 1st November 1992 at 7.00 pm and tickets are £2 - available from Mr G Pearce on 0934 750565. Please obtain them as soon as possible. Remembrance Services will be held at both Bleadon and Lympsham churches on Sunday 8th November. Details will be displayed by the respective churches.

### Royal British Legion - Women's Section

- 9th October - The Annual General Meeting will be held at the Manor Hall commencing at 7.30 pm.
- 24th October - The 54th Annual County Conference for Somerset and Avon South will be held at the Winter Gardens from 10.30 am - 4.30 pm. All Women's Section Members are welcome.
- 12th December - Christmas Bingo session at the Manor Hall commencing at 7.30 pm.
