## **Planning Applications**

The Wentworth Drive and Bleadon Hill Action Group has been set up to oppose these planning applications.

In regard to the Wentwood Drive application (15/P/0983/O), the Planning Inspector has decided that a full hearing will be held. As many residents as possible are strongly encouraged to attend the hearing, to show the collective local opposition to the application.

**Strong community support against the proposal at the hearing can have a massive impact on the outcome**

The date of the hearing is yet to be set.

In regard to the Bleadon Hill application, the revised application (16/P/1053/O) has now been withdrawn by the developers leaving just the original application (15/P/0167/O) which will be heard at an appeal on **29<sup>th</sup> November 2016** over a four day period, at the Town Hall, WSM. Again, all residents are encouraged to attend for the same reasons as above.

The Action Group have been deemed a 'rule 6 party' which means that they can make a representation to the hearing. The Action Group will address the hearing, concentrating on transport issues; sustainability; visual impact; landscape and ANOB impact; highways and access, and the proposal is outside of the adopted core strategy.

North Somerset Council will also be objecting to the proposals.

The developers have appointed a QC to represent them, **so** they are making a determined effort to have the application approved. **Therefore**, opposition support from the local community in attending the hearing is absolutely vital.

**PLEASE SHOW YOUR OPPOSITION TO THE DEVELOPMENTS BY ATTENDING THE HEARINGS**
