Map

The below map highlights the location of each of the viewpoints (“VP”) in comparison to the proposed site location.

It is worth noting that other locations were reviewed from the wider area, but the proposal could not be seen from them.

| | |
|----------------------|--|
| VP1 Photo location | Accommodation Road, Bleadon, North Somerset, BS24 0AN NGRs: 332892, 156941 |
| Elevation & Distance | Close South. Approx 227m |
| Description | This photo is taken from Accommodation Road just to the south-west of the proposal. From this proximity the proposal is expected to be seen – which is the case – but it is seen in conjunction with the agricultural setting along with the existing telecommunications pole & therefore assimilates into the area. |
