**Land south of Purn Way revised
Proposed erection of 16 no dwellings.**

Noted that Cllrs. Sheppard and Williams had visited the site. Situated between the allotment gardens and the settlement boundary. The number of proposed dwellings had been reduced from the previous refused application to 2 no houses and 10 no bungalows. The recommendation was that it be approved as the development was deemed to be appropriate for the site and had an element of social housing within it. Councillors were reminded that the village had very little areas left for development and growth

Resolved to recommend approval with Councillor Scarisbick voting against.
