Your guide to council tax

This leaflet provides information about the budgets for local public services for the year ahead and explains your council tax bill.

Depending on your household income, you may be eligible for help with paying your bill (see page 12 for more information).

In North Somerset we pride ourselves on our low council tax levels and have frozen council tax for three out of the last five years while also saving £60m from the council's overall expenditure since 2010. However, the national issue of ongoing increases in demand on adult social care and reductions in the amount of funding the council receives from central government mean that there will be a council tax increase for the year ahead.

The change in government policy for the funding of social care has led to a 3 per cent levy being applied to council tax bills, along with a general council tax increase of 2.99 per cent as a result of reduced central government funding.

We will continue to do our best to keep council tax in North Somerset below average and we remain committed to providing excellent value for money through the services we deliver.

Keep reading North Somerset Life for regular updates about our budget setting process.

Council documents can be made available in large print, audio, easy read and other formats. Documents on our website can also be emailed to you as plain text files.

Help is also available for people who require council information in languages other than English.

Sometimes it's good to be part of a crowd

Almost 70% of households in North Somerset pay their council tax by Direct Debit meaning they never put themselves in danger of missing a payment.

Set up a Direct Debit and join the crowd today. Visit www.n-somerset.gov.uk/counciltax or call 01934 888 144.

What is council tax?

It's a local property tax levied by councils, to be used alongside central government funding, to pay for the local services they provide.

What does it pay for?

North Somerset Council provides a wide range of services including education, planning, transport, highways, social care, public health, libraries, leisure and recreation, recycling and waste collection, environmental health and trading standards among many others. The money you pay also funds the police and fire and rescue service, as well as supporting work in your local parish or town.

Parish and town councils raise their money primarily from a levy called a precept. We collect the precept on behalf of town and parish councils and pass it on to them.

North

Who decides how much I have to pay?

Council tax is based on property value. Every property is put into a banding and charged accordingly after certain other factors are taken into account.

Adult Social Care Precept

The Secretary of State for Communities and Local Government has made an offer to councils with responsibilities for adult social care.

The offer is the option of being able to charge an additional "precept" on council tax from 2016 without holding a referendum, to assist the council in meeting expenditure on adult social care. Subject to the annual approval of the House of Commons, the Secretary of State intends to offer the option of charging this "precept" at an appropriate level in each financial year up to and including the financial year 2019-20.

For councils with responsibilities for adult social care, council tax demand notices show two percentage changes: one for the part of the overall change attributable to the adult social care precept, and one for the part attributable to general expenditure.

Where does the money go?

The table below shows how the money will be spent on services and how that relates to the average council tax bill.

Council tax support

If you are on a low income and currently pay council tax, you may be eligible for council tax support even if you receive other benefits or council tax discounts.

Please visit our website to register for MyAccount and make your application online. If you are unable to get online or have additional needs please visit us at the Town Hall, Weston-super-Mare or Castlewood Offices, Clevedon where one of our customer service advisers will assist you.

You can also visit any of our libraries and use one of the public access computers to make your application.

If you receive council tax support an amount will be taken off the total council tax you owe for the year and this is shown on the front of your bill.

What to do if your circumstances change

If your circumstances change you must tell us as soon as the changes happen. It is an offence not to tell us about any change in your circumstances that affects your support and could result in a fine of £70 or prosecution. Don't rely on someone else to pass the message on. Examples of changes in circumstances are:

- you move home
- your rent changes
- any changes to the income or circumstances of anyone who lives with you
- someone moves into or out of your home
- you're going to be away from your home for more than four weeks.

If the change in your income affects your entitlement to Council Tax Support a revised bill will be issued.

You can request a written statement of your entitlement, within one month of the decision being made, by contacting the council on 01934 888 144. If you want to appeal, this should be in writing within two months of the decision, to the council, who will review the decision. If you remain dissatisfied a further appeal can be made to the Valuation Tribunal.

PROTECTING NEIGHBOURHOOD POLICING

I have been lobbying hard to secure the best possible funding arrangements for policing. In December, the Government made it clear that an increasing proportion of policing costs will have to be met by local council taxpayers.

I recognise that any increase in household bills will be felt by you and I want to assure you that the policing you receive on a local level through your neighbourhood policing teams will be unchanged thanks to this increase in your council tax.

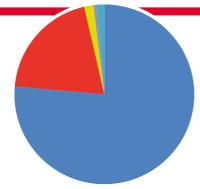

Neighbourhood policing is at the heart of our communities and is essential to ensuring Avon and Somerset remains a safe place to live and work.

CHANGES IN SPENDING

The net expenditure for the police will be £7m higher in 2018/19 compared to 2017/18 following a rise in council tax funding. The Police & Crime Commissioner (PCC) has taken the decision to increase the policing part of the council tax by £12 a year for the average band D household. This means that the average band D precept will be £193.81. This follows extensive consultation with over 3,500 residents. Although inflation and other unavoidable spending pressures will increase costs by £11m, savings have been agreed to balance the budget.
