Dear Sir/Madam,

I understand that you made representations on the Joint Spatial Plan (JSP) (November 2017) and/or to the Technical Evidence Consultation (November 2018)

Due to unforeseen circumstances I have taken over the Programme Officer role from Robert Young. I am an impartial officer of the Examination working under the direction of the Inspectors. My contact details are set out above and all future communication regarding the Examination should be with me.

Enclosed with this letter are -

- Matters and Questions
- Examination Guidance Note from the Inspectors
- Draft Hearings Programme

These documents contain important information about the Examination and you are asked to read them carefully.

I have been asked to formally advise you that the hearing sessions into the Plan will commence on **Tuesday 5 July 2019** (further information on venue and times are given in the Guidance Note and Draft Hearings Programme).

May I draw your attention to paragraph 16 of the Guidance Notes and the requirement to register your interest if you wish to participate at the hearings by **17:00 on Friday 3 May 2019**.

Please note that further correspondence will only be sent to those participating in the hearing sessions, unless you expressly make a request to be kept informed. All information and documentation will be made available on the examination website in any event. If you will be participating and/or receiving future correspondence, please provide me with a contact email address if available.

Yours faithfully

Helen Wilson
