

Invite your MP to the World Watch List 2026 launch

Make sure your MP is equipped to hold the Government accountable to its commitments on freedom of religion or belief.

Earlier this year, the UK Government set out its new strategy to prioritise freedom of religion or belief (FoRB) around the world. Of the ten priority countries identified in the strategy, nine are on the World Watch List 2025, with eight featuring in the top 20.

During the National Week of Prayer, many of you joined us to pray for the strategy and the priority countries. Together, we've lifted nearly 10,000 prayers. Praise God!

Now it's time to go a step further...

Make sure your MP attends the World Watch List 2026 parliamentary launch on **Wednesday 14 January 2026**.

By attending the launch, your MP will hear first-hand accounts of persecution, and inspiring stories of how Christians across the world are defying the challenges to their faith by making an impact on their communities and wider society. They will receive a copy of the latest report, as well as specific policy recommendations, to hold the UK Government accountable to its FoRB commitments.

You have the power to make sure the voices of the persecuted church are heard where it matters most - right at the heart of Parliament.
