Dear Sirs

Planning Applications 20/P/2725/FUL and 20/P/2726/FUL

Bleadon Parish Council has not in any way changed its opinions already submitted to North Somerset following the recent issuing of amended plans. The general consensus is that the developers and the applicants are still refusing to take recognition of the Inspector's report when the appeal was dismissed and these two applications should therefore also be refused.

Thank you

Bruce Poole BA (Hons) FSLCC MMC
