

Bleadon Village Consultation May 28th 2011

Please fill in your name and address:

Name

AddressPostcode.....

Please tick one box in each row to indicate your view on the following statements:

Bleadon Village would benefit from:

- A village green for local activities
- A new multi-purpose village hall
- The suggested housing to fund the above
- New starter homes for young families
- A doctor's surgery
- Sheltered housing for older residents
- Improved local employment opportunities

Strongly Agree	Agree	No Opinion	Disagree	Strongly Disagree

If the proposed scheme is built, the multi-purpose village hall, sports field and facilities will be gifted to the villagers of Bleadon for their use and for the use of future generations.

In principle do you support this scheme? (please tick one box below)

In principle I support the scheme to create Bleadon Village Green

I do not support the scheme to create Bleadon Village Green

IMPORTANT DATE FOR YOUR DIARIES

SAT. MAY 28TH – CORONATION HALL

BETWEEN 9AM – 1PM

DO YOU WANT HOUSES BUILT ON BLEADON'S GREEN FIELDS?

DO YOU WANT BLEADON TURNED INTO A SUBURB OF WESTON?

*IF YOU ARE CONCERNED ABOUT ANY FUTURE DEVELOPMENT IN OUR VILLAGE,
PLEASE ATTEND THE ABOVE MEETING AND VIEW THE PROPOSALS FOR THE
SANDERS FIELDS ON BRIDGE ROAD / BLEADON ROAD.*

SAY NO TO MORE HOUSES IN BLEADON!!

KEEP BLEADON GREEN!!

BLEADON GREEN CONSULTATION.

Do we want our village to be urbanised?

Do we want more cars, more service vehicles, more drainage and sewerage overload, more litter, more noise, more lighting?

Do all the residents of Bridge Road and Bleadon Road want to lose their “borrowed landscape” views across the open green fields which for years hosted the Bleadon Hill Sports? and which is home to herons, egret, mallard, coot and moorhen, to name just a few?

The government is about to remove the need for venues to obtain licenses for live music unless a crowd in excess of 5000 people is expected...do we want a venue on Sanders land where this would be possible?

If they really want to give something to Bleadon residents, what about joining the Landshare scheme which would allow more people to grow their own food and help Bleadon create a more sustainable community, maybe with orchards, a duckpond, and quiet places to reflect and relax.

If we agree to development...see North Somerset policies for affordable housing, and indeed all their housing policies. You will then begin to understand that offering affordable housing is more a requisite than a benevolence on a development site. This plot of land would not be good for housing, dense or otherwise. It might be difficult for people who live on hillsides with panoramic views, to understand that no one wants to live right beside the A370, sandwiched between that and Bleadon Road, and that outlying roads do not want to be bombarded with extra traffic. IF YOU DO NOT PROTEST YOU ARE PART OF THE PROBLEM!

**BE AT THE CORONATION HALL ON SATURDAY 28TH
MAY BETWEEN 9.30 am and 1pm. TO SAY NO**
